AUDIT

To and including the year ended March 31, 1977, the balance sheet of British Columbia Liquor Distribution Branch and the statements of income and changes in financial position were examined and reported on by the Comptroller-General.

With the proclamation of the *Auditor General Act*, these responsibilities were undertaken by the Auditor General, who therefore performed the audit of the accounts of the British Columbia Liquor Distribution Branch for the year ended March 31, 1978.

Since the Auditor General considers the most appropriate method of reporting on the audit to be by inclusion in her report to the Legislative Assembly, a separate report and opinion on the audit of the accounts of the Branch has not been issued.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1978

1. SIGNIFICANT ACCOUNTING POLICIES

(*a*) Revenues and expenses are reflected on an accrual basis.

(*b*) Merchandise inventory is valued at its latest landed cost. Customs and excise taxes are not included in the value of inventory where payment is due upon shipment from the bonded warehouse.

(*c*) Expenditures for buildings, leasehold improvements, furniture, fixtures, and equipment are capitalized and are subject to depreciation on a straight-line basis as follows:

Buildings—7½ per cent per annum.

Leasehold improvements—a minimum of 10 per cent per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.

Furniture, fixtures, and equipment—25 per cent per annum.

2. CHANGES IN ACCOUNTING POLICY

(*a*) In September 1977, a new procedure was implemented for domestic beer delivered directly to licensed establishments by Pacific Brewers Distributors Ltd. Commencing September 6, 1977, the domestic brewers' wholesale distributor was authorized to accept orders and payment from licensees within prescribed guidelines. During the year ended March 31, 1978, Pacific Brewers Distributors Ltd. recorded sales to licensed establishments amounting to $37,051,208. Had these sales, as in prior years, been reflected in the Statement of Income, the total sales figure would have been $524,107,451. Income was maintained by instituting a Provincial malt levy based on established mark-up of domestic malt products.

(*b*) In-transit merchandise ordered from foreign suppliers amounting to $5,031,041 has been included as inventory as at March 31, 1978. This merchandise became the property of the Liquor Distribution Branch on loading at the port of embarkation. A comparable amount at March 31, 1977, cannot be determined. This change does not affect the Statement of Income in either 1978 or 1977.

3. FIXED ASSETS

4. SALES

Included in sales are non-alcoholic items amounting to $786,371 (1977—$743,684).

5. LIQUOR CONTROL AND LICENSING BRANCH

The 1977 Financial Statements included Income and Expenses of the Liquor Control and Licensing Branch to March 31, 1977. With the proclamation of the *Liquor Control and Licensing Act*, S.B.C. 1975, chapter 38, assented to June 26, 1975, which took effect on December 31, 1976, the Income and Expenses of the Liquor Control and Licensing Branch for the fiscal year ended March 31, 1978, are, and in the future will be, reported in the Public Accounts, Ministry of Consumer and Corporate Affairs.

6 COMMITMENTS

(*a*) Employees of the Branch contribute to the Public Service Superannuation Fund 6 per cent of their salaries for basic pension purposes, plus one-half per cent of salaries for cost-of-living indexed increases in pension benefits. The contributions shown in Schedule 1 include, in addition to matching employee contributions, supplementary assessments paid by the Branch to fund any deficiency in pensions for employees who retired during the year. This supplementary assessment was $1,210,423 in 1978 ($483,191—1977).

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1977. Details of the unfunded liability are described in the Public Accounts of British Columbia. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.

(*b*) The Branch maintains inventory in its bonded warehouse for which customs and excise tax has neither been paid nor recorded. As at March 31, 1978, the future liability for these taxes approximate $8,000,000.

(*c*) Total commitments to March 31, 1978, for lease of premises amount to $18,617,000. Of this total, $2,741,000, becomes payable during the year ending March 31, 1979.

7. COMPARATIVE FIGURES

Certain of the 1977 figures provided for purposes of comparison have been restated to conform with the classifications used in the current year. These changes have had no effect on the net earnings.
